"I was blown away by the fantastic offering in the Marlborough region. Working with Business Events Marlborough on the famil program was a breeze, and what they treated us too was outstanding. We said we wanted to see it all – and I know we didn't but we did experience a lot! The Business Events team showcased a huge variety of the region – from luxury amongst the vineyards to rustic in the sounds – I now have an extensive catalogue of ideas, inspiration and contacts for Marlborough, and I can't wait to be creating an event there soon."

CLIENT TESTIMONIAL

"In 2021 we were fortunate to host our annual conference in Blenheim, amidst COVID lockdowns and panic. It was a fantastic opportunity for our members to come together and bond over the different times and challenges they were facing. Blenheim was a very different location for us to choose as we tend to stick to city centres, however in coming to Blenheim for our family through Business Events Marlborough in 2020, I was shown a huge array of options that made it worth a second look.

The convention centre is one of the best set up facilities we have had the pleasure to use – multiple room options plus fantastic exhibition space it was smooth and seamless from an operations point of view. Business Events Marlborough showed us through a number of accommodation options as well as offsite venues for our dinner evening –having options to choose from made it an added bonus.

The team was a breath of fresh air to work with – they are knowledgeable of the area and enthusiastic to share experiences and ideas, nothing was too much trouble and it was an enjoyable couple of days. The nicest part of the experience was having them touch base from time to time to see if there was anything else they could help with once we had locked in our dates and venues.

I can highly recommend using Business Events Marlborough to give you a wonderful overview of the area and facilities on offer, I can also recommend hosting a conference in Blenheim as it was a great opportunity to enjoy a unique part of New Zealand."

CLIENT TESTIMONIAL

"We had done a famil in 2019 and were just so impressed with what was on offer – all the tourism providers and staff were so welcoming that it made Marlborough a very easy choice for 2020. Everything got postponed due to Covid, and we were so thrilled to go ahead in March of this year.

The team at MCTT who are now running the MEC were brilliant – they were great to deal with and delivered a very professional event. They were really easy to work with and worked tirelessly to pull everything together for us. Some of our members commented that it was our best conference yet – and they've been running for at least 20 years so that's very high praise."

CLIENT TESTIMONIAL

"On behalf of Local Government New Zealand and Conference Innovators we can't thank Marlborough NZ and your region enough. The 2021 LGNZ conference was a huge success.

Your team were fantastic in the lead up to the conference, providing multiple famils and endless information and the onsite delivery was seamless. The venues worked perfectly for the scope of the conference and how Stadium 2000 was transformed for the dinner was just stunning!

We look forward to working in your beautiful region again soon."
